[Gucci Mane]

Im so f-cking dumb I wear diamonds on my thumbs,
there's a diamond on my d-ck so there's a diamond on
her tongue,
i can't feel you baby cos Im romantically numb,
emotionally drained I came here just so I can come,
there's nothing on the God son that I haven't done,
i got a lot of problems, get-n p-ssy just isn't one,
girls is like buses every 15 mins they run,
man they like potato chips I just can not have one,
and I might like you for a minute,
but I dont like yo friends in my business,
and I don't feel like you deserve a visit,
cos you aint in the kitchen when you want a whipping,

[Chorus]

uh, uh ahhhh,
I know you say you love me girl,
I know you say you love me girl,
problem is you prol tell that sh-t to everybody,
so we hear you talking booboo we just dont believe
you,

[Drake]

uh,
ok I'm all about it, all for it,
I'm allstar team Jordan, small forward,

I'm never putting up a shot unless it calls for it,
no hesitation so I'm shooting if i draw for it,
how how f-ck is up, now man I'm in this hoe,
life is moving fast, where the f-ck do all these minutes
go,
mixtape dropped then I started getting 10 a show,
now I get a hundred what the f-ck you think I'm in it for,
Young money forever, i bet Gudda, Jay and Mack
agree,
f-ck you to the haters that just spend their time
attacking me,
shout out to your girlfriend n-gga lately she distracting
me,
wondering if I'm the best, Well-I-am, no Black Eyed

Peas,
girls wanna f-ck your n-ggas,
guy dont wanna be you,
lining up around the block so that they can get to see
you,
I feel like I find a wife exactly when I need to,
so you can say whatever girl but we just don't believe
you,

[Chorus]
uh, uh ahhhh,
I know you say you love me girl,
I know you say you love me girl,
problem is you prolly tell that sh-t to everybody,
so we hear you talking booboo we just don't believe you
