Shes a real bitch slapped with a big butt
I wish a nigga would pass me a million blunt
I bought a Bentley but I fin to buy no rim
Im smoking strong strong, no sticks, no stench
My money long, long, baby Im a real pimp
I left the dealership just order me a whole zip
I fuck with me she owe, you know I got that quick flip
The way she order g the pussy niggas wanna thirst
I talk nasty to a bitch, my mouth it really dirty
You niggas in the whole pussy, but it aint worth it
I got 42 bricks, yeah, chain worth it
I put them 6s on my charges, yeah, jewelries love it
2013 wish gonn go on till like 50 thous
Try to sell t5 and I was greaceland housing
Im charging 23 now I got on Michael jordan
You in the vip but really you are not important

[Hook]

We on that boss shit, we on that boss shit
We on that boss shit, we on that boss shit
36, foreign whips, million dollar house, boss shit
We on that boss shit, we on that boss shit
We on that boss shit, we on that boss shit
Poppin bottles, we by the vips, we counting money,
straight flexin

Angel here pasta with the white sauce
2 bad bitches, cut the lights off
One sucking me, one taking my nikes off
Hustle, hustle all day, never taking nights off
I was playing dirty but keeping it clean
I was moving straight like the crease in my jeans
I was shoveling money like raking through leaves
Fucking bitches all night, skeetin and yanking, they
weave
Is you a false bitch, or a lost bitch
Cause we get cedar chips, with the sauce dip
Northern California, on some boss shit
Shoes get ostrich, fur get, oh shit
Its all green everything, I spit crack in the rap game
pedi king

Hunned, hunned dolla bills off mary jane
Hit em in the head, hit em in the leg, hit em in the chest
and I barely aim

[Hook]

We on that boss shit, we on that boss shit
We on that boss shit, we on that boss shit
36, foreign whips, million dollar house, boss shit
We on that boss shit, we on that boss shit
We on that boss shit, we on that boss shit
Poppin bottles, we by the vips, we counting money,
straight flexin.
