Rule number never leave home without it, fuck around
cross town your ice yul leave without it break your self
(2) weak rappers break yourself break yourself (2)fake
trappers take ya wealth rule number two dont get
caught dolo solo is a nono run up on on you with the
snubnose break yourself (2) you kno the drill break
yousef leave you but naked walking down the street by
yosef WTF up with you Motherfuckas talkin all that
rukus o thats your girl well took yo girl freind got more
mouth than truckers you a blowpop shes a sucker pull
my glock out let it rock out you got nuchucks like chuck
noris gun bust till your eyeballs pop out GUCCI i just
pull my drop out mama still make that i drop out facin
ten years so i took that six my cop out these n-ggas lie
sometimes beleave the life they rap bout yo whole click
i come wipe out why gucci all you talk bout ? yea i keep
that thang on me you know what that thang is ? HOOK
