(Verse)

I told you grind and go hard, don't even play with the deal

The bitch so fine I stay away from the chick

Her ass so fat I gotta pay for the shit

No lies, she's so bad you take a trip with the bitch

White girl in the bedroom pillow talk in this shit

Michael Jackson, chest of diamonds, moonwalk in this shit

She got some hips bigger than a hippopotamus ape

Tryna put the dick all in yo esophagus babe

She second week, oh get some barbs, I said let's eat on the way

I'm tryna leave a good impression, bitch you're right on yo face

She told me Gucci you a dog, I told her give me a break

I'll take you anywhere you want except take you on a date

(Hook)

Damn, damn, I swear these niggas in trouble

Pockets so fat that I can't walk, walk

I swear these bitches in trouble

So geek'd off that she can't talk, talk

These diamonds got me so turnt up

Yo bitch choosin me so how it's my fault, fault?

She feelin us so she think that she so turnt up

I told er get er shit and get out my house

(Verse)

Gucci Gucci, that's my motherfuckin dog

Diamonds got me turnt, yo bitch on my dick

Everything squad baby, everything brick

If we ain't speakin money then it ain't no need to talk, Squad!

(Hook)

Damn, damn, I swear these niggas in trouble

Pockets so fat that I can't walk, walk

I swear these bitches in trouble

So geek'd off that she can't talk, talk

These diamonds got me so turned up

Yo bitch choosin me so how it's my fault, fault?

She feelin us so she think that she so turned up

I told er get er shit and get out my house
