Ass ass ass ass ass ass ass ass ass
Stop!
Now make that motherfucker M until I
Boy scoop it, go stoop it, don't spoof it
Do it, do it
Go!

She looking at the rims when I looked up
All that ass, she should work in a strip club
She say she want her sugar daddy, I say hey look
I get a girl at half an ounce, she told me herself
I bought a ace of spades, told her taste that
Not a clue, and she ain't seen the worst yet
And I can't even lie baby gorgeous
Type of girl get it his or her Porsches
An ass like that is not typical
How she fit it in them jeans is a miracle
Hate the attitude, but I love the visual
And she says she think broke niggers are pitiful
Gucci!

Ass ass ass ass ass ass ass ass ass
Stop!
Now make that motherfucker M until I
Boy scoop it, go stoop it, don't spoof it
Do it, do it

I'm stacking my paper, my wallet look like a bible
I got girlies half naked, that she looks like the grotto
How you is anorexic and your ass is colossal?
Drop that ass, make it boomerang
Take my belt off
Bitch I'm Pouty Tang
Toupee Tau, Toupee Tae
You going to get it too today
Fuck that, you going to get some dick today
I walk in on my crew and I reckoning next
I'm looking all good, I'm making it wet
They pay me respect, they pay me the checks
And if she looks good, she pay me in sex
Do it, bounce that ass, ass

It's the roundest
You the best, you deserve a crown bitch
Right on that
Ass ass ass ass ass ass ass ass ass
Stop!
Now make that motherfucker M until I
Boy scoop it, go stoop it, don't spoof it
Do it, do it
