Gucci: First day out baby... first day
Dj Drama: Welcome home baby

Verse 1

They overdosing on my swag put tha whole got damn
hood in rehab (DRAMA!) To much ruffles in my duffle
can't close this bag it's so much cash
I need 10 hands now to count my stash
LL cool gucci mane I'm bad
Never need a mask, better check my stash you must be
hallu-ci-na-ting
First day out girl aint you glad, six supermodels
crashing at my pad
I should be a model drinkin out a gold bottle
With some true religions jeans saggin off my ass
Please don't crash am I going too fast
Touchdown any where I don't need no pass
I might need some gum cuz I'm fixin to talk trash
Cuz I keep em on task like a kid in class
A hater can't hate what a hater can't see
I told ya before haters sure can't see me
Wouldn't know I hit if I hit em in da head wit a 4x4
standin 6 foot 3
Ready for my bitch crocodile dun shee
Never met a girl aint f*ck first week
You never seen a g throw a \$10, 000 white mink on the
floor live on b.e.t.

Chorus

Only got one life I can live
There's only so much game I can give
So you can watch tha show chillin at ya crib
As weeks turn to months and months turn to years
But I be smokin dro ima f*ck some hoes
Imma ball today, wake up and ball some more
Can't tell a grown man what'd you do with his
It's your perogative imma mind my biz
But imma live the life forever rockin ice
Throwin money poppin bottles cuz dats just what I like
But imma live the life forever rockin ice
Throwin money poppin bottles cuz dats just what I like
Dats just what I like

Verse 2

Screamin ima b like tha black eyed peas
I wanna be free and you wanna be me
Best be eez if you really wanna breathe
I'll fly you by tha trees lookin like swiss cheese
Just came home I aint thinkin bout sleep

Thinkin bout me lockin down these streets
Noise over soon as tha leather feet touch concrete
When I'm south beach blowin on trees
Whippin down tha street like I'm riddin on d's
A new ferrari flyin down b street
Girl like roll your window down gucci mane please
May 12, 2010 I'm free, caught up in the booth like 1017
Lookin like fire jumpin out tha roof
But we don't need water please bring more weed.
Gucci Mane win now they wanna switch teams
Can't entertain dat by no means, wanna get on nigga

And stop chasin me down like a dope fiend
Startin off my day with a m-16, shit aint been tha same
