(Dj drama)

You know when you drive fast cars?
You feeling easy and throw the peace sign up
Shawty full of drama like gansta grizz-iles (x3)

(Gucci)

She on my pimp c, I'm pouring dueces
We had a boy b but shawty screwed this.
Don't try to fix this because it's usless
I surely aint broke, I need a new bitch
I got a main chick and a mistress
They think they fancy, very expensive
I'm like some new money, told my extra trade me
Perferably in my A flexing south beach
I'm corrside front row waitin chris bosch
Bron and gucci mane diamonds match her lip gloss
I know my ex can see me and she pissed off.
I told her keep the memories bitch get lost
Bitch kick rocks, I got them sick rocks
Throw them dueces up just to show my show wrist
watch
(Bling blow)just to show my wrist watch
Throw them dueces up just to show my six watch

(Chirs brown)

I'm on some new shit
I'm chuckin my deuces up to her
I'm moving on to something better, better, better
No more tryin to make it work
You made me wanna say bye bye, say bye bye, say bye
bye to her [x2]
