(Hook)

Why you painted that motherfucker? You didn't have to do it

Why you flood yo wife? You know that you didn't have to do it

It was clean fore you did it, you didn't have to do it

It was a 2013 car, man you didn't have to do it

It's Gucci Mane izay, you know we overdo it

They back in the Lamborghini man, they didn't have to do it

They got so much, man it's so much, influence didn't have to do it

They know that Gucci Mane stay fresh and he didn't have to do it

(Verse)

Don't need no stylist, I'm so fresh, I didn't even have to do it

My car cost half a million dollars and I didn't have to do it

I paint that bitch instantly and put them Forgies to it

I merk a nigga instantly, this shit here more than music

As far as me, them niggas phony, that's baloney music

These niggas so corny I'd be baloney if I listened to it

I paint my car soon as I get it, bitch I gotta do it

And get how many, can even a man take car paint

that's on a Buick

I make a bitch feel insecure but she still listen to it

She in the car, don't know what it is but ain't like she knew

You with a nigga with a check, this a Rari not a Vette

This ain't that same little lick that he got,

man this Bentley cost 3-20 man

It's Gucci, I got plenty, me in city, we be killin shit

Soon as you take drop man it's gon be trinity and it's have her 50

I have my mind on a V, I'm trappin out abandoned buildings

They say the rims on my Charger bitch are bigger than they children

(Verse)

I didn't have to do it but I did it, man I did it

Yo I do it when I do it, drop top Rari, yea we stupid

Got that Rollie, flooded it out with Cuban diamonds, man they ready blew this

Groupies I don't give a fuck, I'm flippin!

I pour lean and some blue Kool-Aid and now I'm feelin like lipsy

Took my car service to Slawson, bought 10 Patriot from the 60's

Why you pass that blunt to me? Baby you know that shit too skinny

I stick my blunt and stuff my safe, I can't even close at all em 20's
