{Schife/ Chorus}

Big body switchin lanes, all the way live, when we hit
the town, FUCK Yea! It's goin down.
Blow up til we throw up, the party never ends, then
wake up tomorrow we gone do this shit again. we gone
do this shit again, do this shit again, wake back up
tomorrow we gone do this shit again, the money keep
comin so the party never ends, no wake back up
tomorrow we gone do this shit again.
