(Hook)

Iâ€™m done with her, Iâ€™m done with her
Oh thatâ€™s yo girl but last night I had some fun with her
Iâ€™m done with her, Iâ€™m done with her
I did some things with her you probably ainâ€™t even
done with her
Iâ€™m done with her, Iâ€™m done with her
Iâ€™m beatin her thing up from the back like Iâ€™m The
Punisher
Iâ€™m done with her, Iâ€™m done with her
She seen poppin bottles standin on the furniture
Iâ€™m done with her

(Verse)

She doesnâ€™t run, her friend, he can handle us
She doin too much just like Nina, on my chancellor
Then she work in Magic City then Iâ€™m dancing her
Bitch do you want these all hundreds, Iâ€™m just askin
ya
These niggas ainâ€™t getting no money, get yo dollars
up
I call up squad and they hold 100 bottles up
She a bad bitch, a pimp, Iâ€™m tryna auction her
She super fly, so fly that other bitch is shockin her
He so lame, he say he donâ€™t wanna bother her
In the net, gangsta tryna get some followers
You can have her back my nigga, I just borrowed her
She wanna stand next to me, get seen by
photographers
She ask whatâ€™s my side bitch? I donâ€™t, ascolaja
I was a jet wearin duck head in all the cuts
Alligator was no slick as Atticus
And Iâ€™mma text me a bitch, itâ€™s time to audit her

(Hook)

Iâ€™m done with her, Iâ€™m done with her
Iâ€™m beatin her thing up from the back like Iâ€™m The

(Verse)
We be standin on them couches, 20 bottles up
No, we take em to the crib and hit the models up
If thatâ€™s yo wifey come and get er cuz Iâ€™m done with
her
If you see the things she be doin youâ€™ll be done with
her
Then I passed er to the homies, they had fun with her
Homerun, everybody had to turn er up
She be tweakin, we be skiin on yo furniture
Christopher Rios, back shots, Iâ€™m a punisher
My nigga Gucci told me sheâ€™s a ho bitch
She drank that out the condom, what a cold bitch
Wiped it on yo sheet, caught er in the street,
Icy in the V, hit er from the back, wifey is a freak
Yellow diamonds on my Audemar, told er Iâ€™mma call
er ma
Blowin money fast like Iâ€™m slingin dope and ball em
up
40 bottles, 20 hoes, 30 cars, 100 Oâ€™s
(Hook)
