gotta homie named Frankie last name mueller and he hang with my panky ice cooler and my role you should thank me thank my jeweler cuz he got me so icy if another hater try to take my jewelry ima probably have to go and pick a jury im goin m6 karots can you hear me im so flashy suckas cant stand near me when i be a grand dad i tell my grand children when i was 30 years old i had 30 million came a long way from trappin in a vacant building 60,000 people screaming such a great feelin.

chorus: think he all that he think he all that he think he all that but i dont believe that gucci mane wac gucci cant rap gucci aint trap but you dont believe that im tryin to get fat chicks and all that you think you go harder but i dont believe that and you dont believe that no you from way back you dont believe that and i dont believe that we just dont believe that.

it is not that easy you goin to have to try harder to decieve me before I ever started gettin rap money i was wrappin up them things like a mummy your whole crew like food for my tummy and im hungry right now so its ovey im tha hood mvp with a trophy i got 5 rings on like im kobe im puttin it down like my good partner toby he in tha feds yeah them people gave him 40 im still ridin around tha city with the 40 i think what tha f*ck i wanna think just run up on me.

chorus: think he all that he think he all that he think he all that but i dont believe that gucci mane wac gucci cant rap gucci aint trap but you dont believe that im tryin to get fat chicks and all that you think you go harder but i dont believe that and you dont believe that no you from way back you dont believe that and i dont believe that we just dont believe that.

i just got a text message should i say a sex message say she got an ice fetish told her get her mouth ready hydro got my light headed lambo got her sight seeing not tha average human being so im ridin in european paid em and I bring em in start out ??? indo f*ck it

please dont ask her once again they at my hotel going
in gucci mane be going in f*ck your throat go again dj
hit my hoe again tell me what you recommend i put it
down i fly em in fly em out then go again i get around
like tupac 94' but its 2010 17 brick squad records ima
busy man stay out gucci buisness this aint where tha
rings on gucci hands

chorus: think he all that he think he all that he think he
all that but i dont believe that gucci mane wac gucci
cant rap gucci aint trap but you dont believe that im
tryin to get fat chicks and all that you think you go
harder but i dont believe that and you dont believe that
no you from way back you dont believe that and i dont
believe that we just dont believe that.
