(Verse)

I'm walkin with my strap, I give a fuck a nigga search  
Don't keep it in the car, I got that pistol on person  
You pissed Flocka Flame - you dissed the fuckin wrong  
person  
Run up on Gucci Mane - you be another dead person  
I toss em in the river - now the whole city searchin  
The AK hit his ass and now that nigga leave the  
surgeon  
Try me in this club then I'm gon shut it down early  
Scene was so sick that the police start hurling

(Interlude)

Undisputed Dynamic Duo in the building  
Stand up for this shit man  
We raised yall niggas  
DJ Holiday, Gucci Mane  
Trap Back 2 niggas

(Verse)

I'm walkin with my strap, I give a fuck a nigga search  
Don't keep it in the car, I got that pistol on person  
You pissed Flocka Flame - you dissed the fuckin wrong

Run up on Gucci Mane - you be another dead person  
I toss em in the river - now the whole city searchin  
The AK hit his ass and now that nigga leave the

Try me in this club then I'm gon shut it down early  
Scene was so sick that the police start hurling  
East Atlanta zone, 60 niggas so thirsty  
The sharp with your 2's, damn rob your ass thirsty  
One years old and he already start cursin  
20 years old and he already start servin

(Hook)

If you ain't getting money then I think you don't  
deserve it  
You reach for my chain you be another dead person

Big Guwap, why they call me Mr. Perfect  
Then look me in my eyes when you see me cuz you're  
nervous  
I murk your homeboy and I smoked a pound of purple  
You're talkin to the cops, pussy nigga I know you're  
worthless  
Hard top Rolls, smoking kush behind the curtains  
The word just came in, wutchu wanna purchase?  
(Verse)  
Fuck it cuz the young nigga turfin  
If you ain't getting no money then these bitches feel  
you're worthless  
Oh you a liar why? Then I'mma make you short-circuit  
These clown ass niggas need to go work in the circus  
Million dollar nigga but I still eat churches  
You try me in these churches then my boy then start

When he died and this Boosy mama feel he didn't  
deserved it  
Brass cutter in my pocket, I carve yo ass up like a  
turkey  
Put that on my squad, I ain't gon let no nigga hurt me  
My gun do all my talkin and I know you niggas heard  
me  
Old school vet like I'm fuckin James Wordish  
But I'm shootin from the corner like I'm fuckin Bobby  
Hurley  
(Hook)  
If you ain't getting money then I think you don't  
deserve it  
You reach for my chain you be another dead person  
Big Guwap, why they call me Mr. Perfect  
Then look me in my eyes when you see me cuz you're  
nervous  
I murk your homeboy and I smoked a pound of purple  
You're talkin to the cops, pussy nigga I know you're  
worthless  
Hard top Rolls, smoking kush behind the curtains  
The word just came in, wutchu wanna purchase?  
(Verse)  
Money makin me, no it's money makin Wooda  
My youngin 13 like a 3rd world shooter  
In a couple years he'll be taking over blocks  
AK47, got him takin over spots  
The only thing I see in the mirror is me  
Before you catch me slippin it's gon be a first degree  
Word around town you a motherfuckin hater  
We fucked the same bitch, the only difference is you  
paid er  
If you ain't getting money you a motherfuckin joke  
Reachin for my strap if a nigga going broke

Screamin adios, left from bacon from the toast  
One minute here, next minute you a ghost (adios)  
(Hook)  
If you ain't getting money then I think you don't  
deserve it  
You reach for my chain you be another dead person  
Big Guwap, why they call me Mr. Perfect  
Then look me in my eyes when you see me cuz you're  
nervous  
I murk your homeboy and I smoked a pound of purple  
You're talkin to the cops, pussy nigga I know you're  
worthless  
Hard top Rolls, smoking kush behind the curtains  
The word just came in, wutchu wanna purchase?
