(Verse: Gucci Mane)

Got 200K in my ear lobe, don't push it in my pill flow  
The young hoe, ten years older, drop it dead like a  
bulldozer  
Got my older hoe, she's a real soldier  
Pulled er over in Minnesota  
Ten thousand dollars in a new Corolla  
And I let her go and she still going!  
Blowing up so she real pull  
Slow motion, I still touch it  
Rich glowin, no discoing but I'm kickin shit like I'm feel  
goin  
If you didn't notice, I'm good too  
I start commotion, don't need promotion  
Got one way more money than the average person  
Feel a bad bitch, but I choose a person!  
Brand new Bentley, I'mma close the curtain  
Pack came in, so I'm back don't worry  
Feel it to his girl he a lying dude  
But you aks one me and we can start to flirt  
So he getting money, but he miss some payments  
Pat to the bases up in the basement  
Got a trap house with a weed house adjacent  
Pull it so hard I had to call the station.

(Hook: Gucci Mane)

Faces, faces  
I've seen so many places!  
Pocket full of dead white guys displayin they faces  
Faces, faces,  
I love that white old racists  
Don't wanna see no new faces  
Roll bands on all my faces!  
Faces, faces  
I've been so many places!  
I met so many women trying to scheme on all them  
faces  
Faces, faces  
Pretty faces I love the paces

Bad bitch I pay they pesos, getting face on the daily  
basis  
Faces, faces,  
These niggas scared to face me  
You know you pussy face it, mask on my face like Jason  
Faces, faces,  
I drop her out, two faces  
Them feds, they keep on chasing, fuck around I'mma  
show you my face and  
Faces, faces

(Verse: Young Scooter)

I caught a case and had to turn my face  
They was on my trail, but I got away!  
Faces equal paper, faces buy you cases  
Favor for a favor, faces equal blesses  
Faces equal flexing, faces stop the stressing  
I say fuck the feds and free Jerry Chester  
He gave me a blessing, a lot of niggas telling (salute!)  
He just make the call, and I relate the message  
Nigga I want it all, I'm talking faces  
In every state I ball, in different places! (let's go!)  
Don't you piss me off, you'll be faceless  
With my back against the wall, I still made it  
Let's go!
