[Intro:]

Shouts to the big homie Coach K
Shouts to the whole 10-17 Brick Squad
Hood with ya nigga

[Verse 1:]

Money foe dope so bitch you already know
White birds, black birds serving pigeons and crows
Iâ€™m with the dope so good Iâ€™ve been jumped out the
foe
Mother fuck the ATL and the border patrol
Me and my amigos at the table shots of dom Julio
I fucked your bitch a week ago, but I ainâ€™t gonna fuck
her no more
I got them stacks on her but the mattress so I sleep with
the dough
I got them P stuffed in the wall so yeah I live with the
cold
Itâ€™s Brick Squad and I know you niggas mad â€™cause
you broke
He seen my video on the TV and he broke the remote
Iâ€™m like Pablo on his prime shoulder deep with the
snow
Iâ€™m with your paper word nigga many yaâ€™ll niggas
some hoes

[Hook:]

Iâ€™ve been on some fuck the world shit lately
And I grind to get where Iâ€™m at
These niggas donâ€™t wanna see you with these stacks
Iâ€™m a fly nigga to be exact
And Iâ€™ve been on some fuck the world shit lately
â€™Cause I grind to get where Iâ€™m at
These niggas donâ€™t wanna see you with these stacks
I fuck fly bitches to be exact
And Iâ€™ve been on some fuck the world shit

[Verse 2:]

I got all eyes only like Pac here
But I ainâ€™t tryin to go broke like Ja did
I ainâ€™t tryin to fuck my dealer like Block did

Iâ€™m tryin to stack them free benz like Rock did
Tell the truth I never thought that Iâ€™d get this big
I think Iâ€™m bout to buy some choppers like 2Kid
I came in flexin jewelry like Glip did
Got every penny out the six, I swear I milk it
That bridge core, shit I built it
I put Flocka in the game and it killed it
I did a song with Lil Wayne and I killed it
My only wish my nigga Dunc was here to whip shit

[Hook:]

Iâ€™ve been on some fuck the world shit lately
And I grind to get where Iâ€™m at
These niggas donâ€™t wanna see you with these stacks
Iâ€™m a fly nigga to be exact
And Iâ€™ve been on some fuck the world shit lately
â€™Cause I grind to get where Iâ€™m at
These niggas donâ€™t wanna see you with these stacks
I fuck fly bitches to be exact
And Iâ€™ve been on some fuck the world shit

[Verse 3:]

My uncle Remy died from smoking cane
My cousin suicide, he blowed out the brain
They gave my nigga 30 years, he in the chain gang
I just had to drop a 40 racks up on my ring
Homie Giuseppeâ€™s walking in the ring
I canâ€™t even help it, Iâ€™ve been through some things
I put my heart in every verse and when Iâ€™m on that
plane
Iâ€™m thanking God for all my watches and all my chains
Iâ€™m in Chanelle and Iâ€™m in Feragamas
These bitches know Iâ€™ll work your karmas
They know I got that lama
And Mollyâ€™s sister just got out that coma
That sick has set her in her bones, free my nigga
Murda

[Hook:]

Iâ€™ve been on some fuck the world shit lately
And I grind to get where Iâ€™m at
These niggas donâ€™t wanna see you with these stacks
Iâ€™m a fly nigga to be exact
And Iâ€™ve been on some fuck the world shit lately
â€™Cause I grind to get where Iâ€™m at
These niggas donâ€™t wanna see you with these stacks
I fuck fly bitches to be exact
And Iâ€™ve been on some fuck the world shit
