(Hook)

Stupid bitch talkin bout a nigga, pull up  
I said fuck you bitch, you full of it  
Stupid broad bitch, you can't get a pull of it  
That pussy's so good, a nigga bought you a fuck  
Stupid bitch talkin bout a nigga, pull up  
I said fuck you bitch, you full of it  
The head so good a nigga bought jewels for it  
Pussy's so good while baby nigga in the hood for it

(Verse)

Money I'll be flexin, I'm so higher than the one right  
past the exit  
You think it's funny the way I'm dressin  
These Louis sneakers come from 10 years of finessin  
Your bitch so pretty, I give her crack  
Her man ain't getting no money, that shit is pathetic  
I bought a Phantom, I don't regret it  
Suicide doors, call the paramedics  
I'm sippin lean thou like I'm from Texas  
I got these bitches blinded by them DBS's  
Call the orchid man cuz my hood in fed street  
So many bricks, too many racks, too many peasants

(Hook)

(Verse)

Million dollar chain, pussy nigga reach for it  
That's the reason you'll be 6 feet deepthroatin  
You a give a wife with real money, I'll make her creep  
for it  
If you got a sex that in your bushes I will sleep for it  
My kid nigga want some money, come and leave for it  
You owe me, I called yo ass for a week boy  
I'm ridin round with the choppa on the seat throw  
Yo life is in my hand and you lyin throw yo teeth for it

Trap school, niggas sit in yo seat throw it  
Speak up pussy nigga, you got a weak voice  
IÂ'm throwing bricks like IÂ'm aiming for the back boy  
Pay what you owe me or yo name is off the chart boy
