The streets raised me I drove my kinfolks crazy
Rather buy purp then pleasure

From start to the finish gucci mane the apprentice
So every word letter I had lived every sentence
This perfectly place created an indention
I'm trappin and cursin for rappin the chinese
Down south finest it's gucci your hinus
Crazy color diamonds they got me shinin (TRUE!)
Bitch arms up climbin up a cut like tyson
I'm big cruz diamond but got no license
Lanes talk senseless G's you silence
And you can these dog but I use violence
I'm trappin like a house over trap house cloudy
Your stones cloudy so your not balling

My down south swag got the fine hoes callin
My swag so norm and my grill so gnawless
My down south swag got the fine hoes callin
My swag so norm and my grill so gnawless

I'm moving chickens

In the kitchen cookin chicken tryin to pay my rent
