Chorus 2x

I smoke kush and I pop bean
And I don't give a damn how you feel about me
I sip lean pure codeine
And I don't give a damn wat you say about me

I'm so iced up feel me up
I'm so kushed up dog I'm stuck
Sumbody help me I can't get up
I bought a whole pound
And I smoked da shit up
No more purp lets restore
Call da cush man tell him bring much more
We ask anotha 2 litter
We gon do four
I'm so drowzy I might snore
Chain so bright that you got a eye sore
If yu aint wanna fuck wat yu spend the night for
Pulled all da ho's
Dats wat I got da ice for
To win all da money
Is wat I shot da dice for
Leaned to myself
Damn I'm high
I rolled anotha swisha
I'm lookin for some fire
I'm dui we so drunk
Yo girl manned up
Wen she seen my trunk
Pussy nigga it's gucci

Chorus 2x

I smoke kush and I pop bean
And I don't give a damn how you feel about me

So iced out check my new piece
Heart shaped diamonds baby heart aint sweet
Gucci frames on so I can't see
Gucci MVP, I bring dat heat
In my all white dump

I sip lean pure codeine
And I don't give a damn wat you say about me
