[Hook: x2]

She like it kind of rough she call me silly  
Although we just 2 horny calls and all in it  
We're cruising around flying girls in my city

You're looking for a sponsor girl, you know I'm dealing

[Verse 1:]

Coming around with a frown I turn it around  
Chill baby get you with the balls right now  
I force your ears up girl turn the frown in a smile  
Rearrange your style, you get a dope boy loud  
I'm talking free man, free man but I get loud  
You with the weed man long way bad ass around  
Take it to a whole another place where we be in  
With a bad ass bitch keep calling me her linen hold  
Know you boy you keep me smiling  
Then fire away girl, fire away girl  
Rollie would you be my sponsor  
Ye yes I can, ye yes I can

[Hook: x2]

She like it kind of rough she call me silly

Racks on me be long way be the long way keep on

Linen on the wrong way in and out ace been no fortune  
Pushing putting long way more and more the fucker for

Diamonds keep her smiling
