(Hook)

9-45 and I can't lend you my Jordans nigga
Number's 45, if you Jordan the size
Still got the 45, 45 the grills on mine
And nigga bout want a 9 (James Worthy)
George Kirkland, I think I'm on the deep and blow
some purp yea
I'm jumpin out the GM though early
I'm pulled up serving drink like Bobby Hurly
Count 42 bricks yea
James Worthy

(Verse)

Don't send no 2's with the 4's she had em Kobe's
on the Jeep and LeBron's on the low
Bout the Jordan's on the coup, 21's on the front
They be dope, do the plastic man, hey set off me dog
Pussy only drink with pour up like I'm shakin away the
gold
Shit spooked the brick game, I'm tryna make it back
home
It's a sticky situation when you cutting through
10 deuces on the floor, on the track let go
Own career to the damn boys
I need some hoes in this house but I ain't talkin bout
ho rich
They be talkin bout dough when you swing my dance
move
And I keep money on the floor cuz you bring with mo
flow
I'mma pock me some sparky shit, nigga I can smoke
Hit the Bentley, hit the part of me, she can pull a ho
Call me round the hood, they know I rob the hood
young with the pole
Send the white bitches, black bitch, 100 duzins
chromes
