(Verse)

I like a bitch that like to hustle, all my bitch fuck with is

I'm too gangsta for a boojy bitch, oh shit I think the

I'm too turnt up, yo bitch she just can't get enough
And you can learn some so lil nigga listen up

I was livin in my bitch crib - true story

And if I seen a bigger no set, I keep for it

Niggas rap about what I do, cuz I live

And if a wrong going right I know that Flocka gon ride
with me

I let bullets fly cuz rappers fly and sabotage this

When they up a blocka then you best get out of dodge
bullets

Fore you beef with Gucci you will rub the beef with
Godzilla

And I know you live with er, now and then I still hit er

(Hook)

(Verse)

I'm not them ordinary niggas that you used to

A better chance hittin that lottery that bein me

I'm so picky, I may never find a wife (it's Gucci)

Don't think they'll ever make another nigga like me

Screamin so I see out and even though what ice is

Who's ballin hard? Payin car, no it's a line bitch

I didn't have a job but the work still had tax still

Bout 10 park apartment where the roaches and the rats

I don't respect money nigga, I respect real

Put yo ass kill over motherfuckin addled

The young niggas with me poppin mollies like they
