This that mud drink, my rari go hard in the paint  
Pulled up flexxin right, hopped out flexxin ice  
Niggas a give they life, just to live my life.  
Bitches yelling, (FLOCKA) walking through the crowd,  
With a triple cup, po po po pour me up  
Bird game clique, flags in the sky  
walking through the club, I swear to god I'm in sky.  
Astronaut high, I'm that guy  
Stacks on stacks, racks on racks.
