[Intro]

Yea

If Trap Music ain't motherfuckin hip-hop

I can't tell my nigga

Cuz y'all doin' what we does

It's Gucci, Shawty Red nigga

Let's go

[Hook]

A bitch I can't catch is something I've never seen  
(I've never seen)

A bitch I can't catch I will never see (I'll never see)

She come around me, she won't wanna leave (won't  
wanna leave)

Her game so good, have her onto me

You niggas spilled the drops but drops I never see

My flow so clean, make your nose bleed

The feel so strong, make you breach a tear

The smoke so strong, higher down the tree

[Verse 1]

Sad sad story, take a look at my journey

And the rap was full of niggas, tryina give em some  
money

We nigs, fix pain, bills, pills and diamonds

RIP my uncle Sunny and my homeboy Lenny

I trick so many people, should go church on Sunday

But I would be a hypocrite because the work on Monday

I grew up so fucked up, that's I'm all so cuddy

And I can honestly tell you niggas that I'm so  
dishonest

Let's give a shout out to the ducks, in the world are  
plenty

You think Gucci give a fuck, you got one thing coming

If you's a buster, me and you have nothing in  
common

Trap house, stash house, all our world bout money

It's Gucci

[Hook]

A bitch I can't catch is something I've never seen

(Iâ€™ve never seen)  
A bitch I canâ€™t catch I will never see (Iâ€™ll never see)  
She come around me, she wonâ€™t wanna leave (wonâ€™t  
wanna leave)  
Her game so good, have her onto me  
You niggas spilled the drops but drops I never see  
My flow so clean, make your nose bleed  
The feel so strong, make you breach a tear  
The smoke so strong, higher down the tree

[Verse 2]

Futuristic wrist watch if you rollie tic toc  
Then itâ€™s not a rollie hoe you roll it to the toop top  
Six shot, big shot, top down but tits out  
Rolls Royce, drop top, call Alfred Hitchcock  
Miss Biggie, I miss Pac  
She walked out, she bitched out  
She suck the dick non-stop  
I think I hit the jackpot  
She act out, she ashed out  
We ranned out, youâ€™re handout  
Rappers say they stand out  
But yet they got they hand out  
You trap niggas gonna hip-hop  
Then Gucci Mane ainâ€™t hip-hop  
Humble county grow houses then we have a great crop  
Hard in the paint trap but nigga I can play out  
They showed to me 300 bucks, I served his ass a  
shaved ounce

[Hook]

A bitch I canâ€™t catch is something Iâ€™ve never seen  
(Iâ€™ve never seen)  
A bitch I canâ€™t catch I will never see (Iâ€™ll never see)  
She come around me, she wonâ€™t wanna leave (wonâ€™t  
wanna leave)  
Her game so good, have her onto me  
You niggas spilled the drops but drops I never see  
My flow so clean, make your nose bleed  
The feel so strong, make you breach a tear  
The smoke so strong, higher down the tree
