Hit the mall spend 30 like the shit normal
Me and my broad nothing but gucci, louis, ferragamo
Drop racks, get it back
Call the shit karma
Fuckin models when I want
All your hoes normal
Blowing kush
What your smokin smellin really normal
Ask me if I wanna hit it
I don't really wanna
Pulled up, old school, paint willy wonka
Cuts all white, but the rims abnormal
Backseat on my rolls in my silk pajamas
Hoppin out in house shoes like the shit normal
Change my jewelery every day cuz it the summer
If yo bitch want my number
Chill, it's really normal

[Chorus]

Abnormal, nothing that I do is normal
Ice game dumb dumb, now it's even dumber
You normal
I'm so cold I need a thermal
Drumma boy track
Drumma, this another comma
It's my summer
She think her ass is far from normal
It's no wonder her boyfriend keep a stupid number
My summer, she think her ass is far from normal
No wonder her boyfriend get that stupid llama

He pull up in a honda
That's normal
I pull up in a zonda same color lasagna
My goons'll put you under
Confront us
Got guns like super contra
Stay armored
You bought your girl some (ahh ahh)
Don't want 'em
My girl got on piranhas
That's abnormal

My bracelet cost a honda
That's abnormal
We'll rob you where I come from
That's a promise
She's a snake charmer
Anaconda
Real man eat her
Like jeffrey dahlmer
I can't stand people mad cuz
Their lives are normal
I got long money, bitch
Put it on my momma

[Chorus]

Abnormal, nothing that I do is normal
Ice game dumb dumb, now it's even dumber
You normal
I'm so cold I need a thermal
Drumma boy track
Drumma, this another comma
It's my summer
She think her ass is far from normal
It's no wonder her boyfriend keep a stupid number
My summer, she think her ass is far from normal
No wonder her boyfriend get that stupid llama

Bad bitches be stuntin me

Het a one way ticket to gucci's world
