I'm chargin' 16 fever, 16 fever  
Nigga, my price cheaper, 16 fever  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever, nigga  
16 5-0, there go 5-0  
I'm up 2-5 but I need 4 more  
I got uncles blowin' bundles  
Mine do numbers while I drive Lambo  
Off white yayo, digital scale yo  
Fish scale sendin' my pigeons by mail  
Bring in my drain folk, [Incomprehensible] folk  
[Incomprehensible] folk, just bring me that cane folk  
Gucci got good dope, pills purp and sizzurp  
My workers don't move nothin' less than a bizzurd  
Gucci got good dope, pills purp and sizzurp  
My workers don't move for nothin' less than a bizzurd  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever, nigga  
Bricks can't keep 'em 16 fever  
Bemmer speakers, geek-a-meters  
Misdemeanors several subpoenas  
See I'm gone drink up 'cause we just linked up  
The squad been teamed up we cuttin' off fingers  
It's 16 fever and that's since April  
My Corvette paid for, my old school paid for  
The hummer roll up that means you assed out  
And you didn't cash out, see this my trap house  
I slam fiends backs out we push white sacks out  
See this my trap house, I slam fiends backs out  
We push white sacks out, them backs get pushed out

16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever, nigga  
I'm scrapin' the bowl up, I'm whippin' up cake mix  
But this ain't red velvet, don't eat it, just smoke it  
Your options are open, you even can snort it  
3 dollar sacks so you know you can score it  
Say you can't afford it, yo, I can ignore it  
Well, don't call them dope, boys, you know you feel  
borin'  
You know that you feenin', you know that you need it  
It's Gucci, I'm greedy, my niggas stay eatin'  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever  
16 fever coke-I-ina  
X pills, bubble kush, mid grade reefa  
Hoes ridin' vics dog but I ride beemers  
I swear the red chain'll cost 16 fever, nigga
