Yeaa..

Wasted

Party

Burr

Double dueces on the back  
21's on the front  
got the engine in the back  
and the trunk is in the front  
in the back of the club now smokin on a blunt  
club packed took a pass?? and parked right in the front  
from the front to the back like a zoo party animal  
want to ball with me baby wat it do, party animal  
shes a man-eater baby, thats the kind?? of party  
animal  
imma party animal, shes a party animal  
im a party animal, used to be a trafficker  
bricks up on the bus call me the roll manager  
200,000 cash i might put that in the challenger  
only ride on ?????? cause thats my eat atlanta car  
first i brought you juiceman, then i brought you flock  
flame  
gucci mane the bossman but you can call me iceman

DONT GOT TIME TO FINISH BUT THATS ALL I GOT RIGHT  
NOW.. FINISH IT
