(Verse)

Fuckin round with Gucci ain't gon lead to a endrin
Bitches like 3rd period, turn you to hit street
Nigga said he did this but nigga's a mystery
My lady said you found out your favorite rapper's a
sissy

This purple shit I'm sippin got them young niggas
trippin

He thinkin like he got a cough to get a prescription
You came to Atlanta but they ask bout the big shit
You all didn't know but Muddy walked out with
stitches

I'm rich but nighttime I lose my mind with the ballers
And ultrafine but last time he stayed with a model
South president like Jimmy Carter for Georgia
30000\$ Charger for that, my headquarters

(Hook)

Picture that, picture that, picture that
Nigga picture that, picture that, picture that
Jumpin out the Phantom, talkin real manage shit
While the G's sayin he ain't broke, I can't imagine
that

Picture that, picture that, picture that
Nigga picture that, picture that, picture that
Jumpin out the Rrari, lookin really handsome
Brick Squad going broke, I can't even tell em that

(Verse)

They say a bird in the hand meets a bird in the bushes
But if the killa in the bushes then your shooters are
some pussies

Tryna rob Gucci Mane, right play and wrong nigga
Tryna make it to the ham, got pulled over vila Rica
He go sister a pistol, a kilo of the crystals

A scale, a bail and some seals on

And my money stretch longer than a talahoochy real

If it's turn the key then I'm going to tryna do say

If I know you like I knew you then why I do ya like I do ya

Bitch I flew here and you grew here

I'm not new here, what's it to ya?

I pour 4's and deuces and drinks and juices

Set bails and bricks and blunts and losers

(Hook)

Picture that, picture that, picture that

Nigga picture that, picture that, picture that

Jumpin out the Phantom, talkin real manage shit

While the G's sayin he ain't broke, I can't imagine
