this the night x2
pull out that thang its scary like poltergeist.
this the night x2
pull out that thang its scary like poltergeist.
this the night x2
pull out that thang its scary like poltergeist.
this the night x2
pull out that thang its scary like poltergeist.

im gucci mane the bachelor, i attract em cant figure my velocity, cant understand, but they suckin me like dracula im african american my car another land, see where im from we stay strapped up like pakistan, my home boys sellin bags have yo eyes like jackie chan, what the bumbaclide, gucci mane through thick and thin, my home boy in the pen lend a helpin hand, i've been wit ??? thinkin when im gonna win, well you cant answer to no one yous a fuckin man, i know you might not feel me how you probably feel me then, but i hope you listen harder to me than you listen then, its gucci its the night x4
pull out that thang it scary like poltergeist, herein ice, its my life, and the lambo doors hit the sky, pull up the price, jump out g5, we aight, she on a kite, im on a cloud, i feelin aight, and the lambo dorrs hit the sky
