Eight throwin stove and some water in a pot

Don't need a glass man, I bring that blast back
Niggaz cain't wait 'til I hit the hood and cook it
If you wanna learn fuck nigga start lookin

Sell a quarter brick then I cop a ounce of purple
Then the O's for..

Then you put that fish scale in that water next

[Gucci Mane]

I charge eight for the O's, seventeen for a thirty-six
Nine for a half, fifty-five for a quarter brick
Traphouse, crackhouse, slab a jacker back out
Nigga want some beef then I have to bring the Mack

Drug deals; eight dollars for the X pill
Put a big bullet hole where you chest is

Never broke but I hope that the boat with the dope
don't sink just float as I sell plenty coke

[Chorus]
