Misheard instrument
Scoochy!
Go!

Rack City B**ch, Rack Rack City B**ch

This a lullaby we call it Rough City B**ch
Million dollars worth of ice on Wild City B**ch
And Iâ€™m not trying to brag but Iâ€™m niggard rich
And Iâ€™m laughing with your money like Iâ€™m silly
B**ch

Dress to rock all night like Iâ€™m Diddy B**ch
Say Gucci, I had to shit, youâ€™re a idiot
Like a paralyzed man, I ainâ€™t feeling it

Rack City B**ch, Rack Rack City B**ch
Rack City B**ch, Rack Rack City B**ch
Rack City B**ch, Rack Rack City B**ch
Ten, ten, ten, twentys and the fiftys B**ch

Rack City B**ch, Rack Rack City B**ch
Rack City B**ch, Rack Rack City B**ch
Rack City B**ch, Rack Rack City B**ch
Ten, ten, ten, twentys and the fiftys B**ch
