Ridiculous, it's hilarious
How your girl gon stare at kid at all the frozen karots,
dig it?
Ain't no comparison, the clarity is excellent
Brightlin cost your budget, bitch. that's why a nigga
flexin it.
Coulda bought a mini mansion, but I bought a necklace
Coulda bought a Bentley, but instead I bought a
chevorlet
Donk is still ridiculous, it's sittin on switches bitch.
Naw, don't make no switches, bitch. it's chrome lipstick
26's.
Trap house with bout 20 kitchens, 20 chickens, 20
minutes
20 chickens, 20 minutes and I'm gon scratch out every
penny
2'll make a 3 and that 1 will break another 20
I was gettin it, I'll admit it
But right now I extra get it
MVP Champ, my statistics I jus scored a triple double
Cocaine, kush, and ecstasy, my trap is guaranteed to
bubble.
Cocaine, kush, and ecstasy, my trap is guaranteed to
bubble.

150 grand on both wrists'
This shit ridiculous
Rims cost a whole chicken
This shit ridiculous
Chain cost a whole ticket
This shit ridiculous
Hummer truck on 30 inches
This shit ridiculous

16 for a whole chicken
This shit ridiculous
Powder round the whole kitchen
This shit ridiculous
Watch your mouth cus the feds listenin
This shit ridiculous
Watch your boy, cus that nigga's snitchin
This shit ridiculous

New paint, that bitch ridiculous
Vitamin water paint job, and I ain't 50 cent
Big bird, yellow d's, no Sesame street
Cookie Monster of the hood, cus I love to eat
Ridiculous watch, ridiculous chain
Ridiculous bitch, and she got ridiculous brain
She ridiculous thick, I don't remember her name
Ridiculous dog, gotta treat these hoes the same
Might take her to Lennox, I might buy her a purse
She gon fuck all my niggas, she gon ride wit that work
Ridiculous whip, ridiculous crib
Ridiculous life, bitch this is the way that I live
You a hater, dick in the ass taker
Fake ass gangster, wit a fake ass Jacob
Not scared nigga, look at the shit you make up
Cocaine cowboy, look at the shit I shake up
