I say, damn right, I got it
Damn right, I got it
Damn right, I got it
Damn right, I got it
Damn right, I got it
Damn right, I got it
Damn right, I got it
Damn right, I got it
I say, lame niggas be quiet
Lame nigga be quiet
Lame nigga be quiet
You in the presence of a real nigga
I say, lame nigga be quiet
Lame nigga be quiet
Lame nigga be quiet
You™ re in a real nigga presence
I eat your girl love for breakfast
Won™ t say you™ re no extra
Say she fuck wit me cause a real niggas her preference
Drinking like I™ m from Texas
And you know I stay flexing
And if you don™ t know I go by tity 2 necklace
Damn right, I got it
Damn right, I™ m about it
Clique full of killers
Please don™ t get us excited
still smoking loud
So lame niggas be quiet
And if you fuck with us
We going to start up a riot
I™ m a start a riot, I™ m a start a riot
I™ m a start a riot, I™ m a start a riot
I™ m a start a riot, I™ m a start a riot
I™ m a start a riot, I™ m a start a riot
Damn right, I got it
I™ m a hoes exotic
Lam doors, robotic
All about that profit
I know that you like it
I guess it makes me psychic
Hundred grand in a duffle bag
But don™ t get excited

Gucci
Damn right, I shot it
Damn right, they plot it
Theyâ€™ re Glock wouldâ€™ ve extendo
â€™Cause I donâ€™ t know karate
One watch and, two lanes
Gucci man, and two chainz
With four hoes, thats two a piece
â€™Cause thatâ€™ s the way that we do things
Got the louie shoes, no shoe strangs
Rider Jeans
No belt on
Money making my pants sag
Step off or get stepped on
Back on â€™cause lâ€™ m back home
Right jab, you toothless
lâ€™ m a nigga witta attitude just like Eazy
all my cars are roofless
Damn right, I got it
Damn right, lâ€™ m about it
Clique fulla killas
Please donâ€™ t get us excited
still smokin loud
So lame niggas be quiet
And if you fuck with us
We going to start up a riot
lâ€™ m a start a riot, lâ€™ m a start a riot
lâ€™ m a start a riot, lâ€™ m a start a riot
lâ€™ m a start a riot, lâ€™ m a start a riot
lâ€™ m a start a riot, lâ€™ m a start a riot
