[Verse 1: Gucci Mane]

With mii spoiler kit
With mii spoiled lil chick
Yellow diamonds on mii neck and wrist
Match dis yellow bitch
She a trip shawty she the shit
She know she she the shit
If u don't buy her wat she want
She will throw a fit
She a bitch

But she super thick
And she act silly like a kid

She a bit make a flip a brick
Make her sick a chick since legit
I been swangin dick Gucci Mane da shit (burr)

I met a girl name Susie
I let her drive my grip
I know she's not a groupie
So I let her in my coop (ya dig)
I stashed her in my fender
While I stashed her in my tire
Susie is a money maker
But dat bitch a liar
Susie roll in 08 walry
But dat girl on fire
Pull us over on Candler Road
And say she had her pliers
Temparage in my car
Shawty singing like Mariah
Singing like the choir
Better yet singing like Maya (bitch)

Unfold all the knots
Expose the half knots
My hoes pose with pops
Like young goldielocks
We got white bulging rocks
Ziplocs stocked to cop
We never close the shop
We hot, steaming hot

A Click clack a pop pop
