It feels so good to be back!
Polow, Usher baby (yeah, Zone 4)
How you doin Gucci? (yeahhhhh)(Zone 6)

(Usher - Chorus)
Cause the spotlight ain't nothin without ya girl
And the dance floor ain't nothing without ya girl
You're a showstopper, whoa
Lets get it poppin, whoa

Cause the spotlight ain't nothin without ya girl

Uh Now she tipsy
Slow dancing in my mansion with no panties
Want to get me
Three girls Gucci trippin
That's a lot of women
Expensive denim jeans on
Designer heels she fill them
I don't want no violence
But damn she tryin to kill me
She tryin to make me feel her
I'm trying to make her feel me
She just had a long day
Know I got that long cake
I give her that long strong
I fuck with her the long way

(Usher - Chorus)
Cause the spotlight ain't nothin without ya girl
And the dance floor ain't nothing without ya girl
You're a showstopper, whoa
Lets get it poppin, whoa

Cause the spotlight ain't nothin without ya girl
And the dance floor ain't nothing without ya girl
You're a showstopper, whoa

Lets get it poppin, whoa
