[Hook:]

I left the game for the OG  
They say their life's a gamble  
The dough game chose me

Ain't shit that I can't handle  
The robbers they all murking  
Keep choppers we banana  
The cover ain't by counting  
And I ain't trying to hit never  
Started from scratch [x17]

[Verse 1:]

I built this shit from scratch  
Now I'm on fire like somebody got struck a match  
I'm an arsonist, I need some gasoline  
No Double SLI hit 'em with that magazine  
Running through that Charlie Sheen  
Christian lose it like I walked over a murder scene  
Lame man nigga practice on your run skills  
Put a fork in it, 'cause if a gun deal  
MPA the count we move like the mob move  
It ain't the stuff cursing when we mark move  
I grew up with killers, younglings and them OG's  
Tryin' to fit in and the dope ain't cali

[Hook:]

I left the game for the OG  
They say their life's a gamble  
The dough game chose me

Keep choopers we banana  
The cover ain't by counting  
And I ain't trying to hit never

[Verse 2:]

Painted picture they demolish the invention  
I tried to make it to a picture  
Them birds flying the drought

They land in the south  
We all wrap 'em like prison and show 'em up  
What you working with, that turk layer  
You wantin more, they in the refrigerator  
Cap the cat ass nigga, impersonator  
I know you're the fierce, you're white as tiger  
Want a chicken box I got that bojanga  
Fish scared jumping out the water  
This shit overrated  
You want that cookie, I got that famous  
I started from scratch ye nigga I made it

[Verse 3:]

Young hood nigga on this gruesome fucking dollars  
Scratching with the peek I'm reconnecting with the

The OG 's always said get money learn to hit sap  
He went in laying with some goblins  
No problem you murder something  
This raining stream is clear,  
Thought he ate the vowel  
These niggas ain't as real as you think  
Life is a gamble  
This cold and you wish that you were they were intend  
Not from the bottom and the d  
You're rich and looking for scratch  
No Chris for the plug  
10 different every girl's needing  
MPA bank count fiending  
They work and never out of speed  
Out again when they get it across the line  
Head on with the bull on my glind  
Hey man I signed the dotted line

The cover ain't by counting  
And I ain't trying to hit never
