[gucci mane]

i'm so fly,

you say you mo fly then, nigga you lie, homie
you and i know the trooper between you and I,
stupid jewelry on me now {x2}

think you finna shit on gucci then just show me how
someone dis me yesterday what i'm posed to do go
cry?

with my money chasing million dollar mission on the
side chi-chi-chicken on my lap i'm bout to trust her then
I die

I'm so hood right now

they question what is getting gucci high?

stoopid wild , stoopid stoopid wild homie that's my
style , girls fight, hoes fist fight just to touch my tie

get my squad squad, i aint been this hard in while
blow the top off i aint been this hard in while

[chorus]

stoopid wild, stoopid stoopid wild homie that's my style
[x4]

every single night i'm ballin

sippin on that drank girls crawlin,

mostly every night i'm countin, countin

niggas wanna fight but i'm shootin, shootin
