[Verse 1:]

I sold so many jays, been locked on so many times  
I had to grind to shine, I fire up bout mine  
I did a homicide, Iâ€™m ready to die bout mine  
Committed genocide, I testified bout mine  
I live a life of crime, I served me some time  
Bitch I got 6 for 5, cool with 2 pass at a time  
You better recognize, I put my neck on the line  
You told me several times, you better respect my mind  
And all we mixing pies, I got a take out of 9  
And all we fixing pies, Iâ€™m serving 3 at a time  
I hit the lick to shine, I left my boy in the blind  
Thatâ€™s how it is sometimes, I keep my hand on the 9  
Itâ€™s Gucci

[Hook:]

You gotta move your feet, know how the game go  
Iâ€™m stepping on toes, Iâ€™m stepping on toes  
Man Iâ€™m stepping on toes  
Iâ€™m shittin on on all the fools, I got that 4-4
