Just some hoes in dis house
Ain't no bitch

And my price will make yo eyes pop out
I caint neva count my stash
Cause I always loose count
I caint neva keep no bitch
Cause I put them hoes out
I was corner stoor'n in imotellin it sellin it
You can check my rap sheet
It's numourous felonies
I took 23 stacks
And bought some justees
Have plenty for the cop
Who gotta arrest me
A front street jump street
Den jump out it's a track meet
Use to have a 10 speed
Now I got a bentley.

Swing my door

I got my rims finger fucked
By a god dam j
Gave him 1.8
Of some hard ass yay
It's a lot of crack smokers in apartments where I stay
And I know they name and face
Cause I serve them everyday.
Had a 98' caprise
Was a rollin drug stoor
You ain't got all them money
What you call my phone fo.
Rob me, six feet
In the dirt you bout to go
Layin with tha corinor
With a tab placed on your toe
I can lock the whole town
If I break tha shit down
But it might be snow
So I'm sellin shit whole
I can lock the whole town
If I break tha shit down
But I'm lettin shit go
And I'm sellin shit whole
