(Verse)

My bank got bigger, the kid got richer  
Multi-millionaire but Iâ€™m the same old nigga  
Never find a nigga with a watch more sicker  
Or rub a nigga spit this game mo slicker  
Thatâ€™s yo tender after I hit er  
Heard that she broke up with yo own Twitter  
I never saw her get to a face turn bitter  
Take pity off but I canâ€™t get with er  
Use a band for a bed, use a brick for a pillow  
Bag on yo head, best friend turned killa  
Ridin in the foreign, steel wheel in the middle  
Car check a Benz bet to reconsider  
Diamonds on my wrist, Iâ€™mma hand it out the window  
Presidential endo, smell it when the wind blow  
4â€™s on my Charger, I drive it like an Enzo  
When bricks touch down Iâ€™ll be dancing in the end  
zone  
6 months gone, wouldâ€™ve thought I wouldâ€™ve been  
home  
Keep the bottom with me like my last name Flintstone  
Never do respect the street shit that I pimp on  
Fully turnt up, now yo ass got a limp on  
Slugs came in and they move it beneath to  
Went up on the kid then yo ass is finite  
Easy to me, shoot yo ass like a free throw  
2 Glock 9â€™s on the piko

(Hook)

This pack ride up, strong as any time  
DVA diamond cost a couple thou  
Checker boy get hard Louie down  
Always showin up when we be steppin out  
Itâ€™s tech higher, at it for a while  
How much we spending on it? Over thou  
We pull up in them foreigners, Iâ€™m smashing out  
Then spend a grip in Philps, bitch Iâ€™m cashing out  
(Verse)

20 place, 20 days, 40K in diamonds  
Shorty got her shades on, still see me shinin  
Pat touched down, Iâ€™mma bust it down asap  
Rocket ass rich so you know I gotta stay strapped

Always stand Louie bitch like at ho sales  
Swerve around to the trap, tell em throw an O on the  
scale  
Iâ€™m international  
Old school Chevelle, Iâ€™m skatin now all national  
Youâ€™s the type a nigga love a bitch and take er to your  
place  
Iâ€™m the type of nigga wake up in the morning 100K  
Turn it up, Louie sneakers on it, you should see the lace  
Those that cost a couple K, I just got this shit yesterday  
(Hook x2)  
This pack ride up, strong as any time  
DVA diamond cost a couple thou  
Checker boy get hard Louie down  
Always showin up when we be steppin out  
Itâ€™s tech higher, at it for a while
