The poor are poor, because they're boring,  
And there's nothing you can do about - that  
The poor are poor, because it's God's will,  
And there's nothing you can do about - that

They're constantly copulating which explains why  
there's so many  
With their hands outstretched and their slurred speech  
always begging for your hard earned pennies  
And they always complain that they've got no food,  
they've got nowhere to live,  
If they're so damn hungry, let them eat their own kids!

The poor are poor, because they're morons,  
And they suck this society - dry  
The poor are poor, because they're assholes  
And that's no fucking - lie

Throw a coin on the ground and they'll pounce on it,  
like rats on a stinking shit  
They're poorly dressed, they smell of piss, and half the  
time they're ripped  
You hear them whine, "I've got twenty kids, can you  
help me out 'cause I'm broke?"  
But they always have enough cash for metho, smack  
and smokes!

The poor are poor, because they're stupid,  
Yeah, you've got to be cruel to be - cruel  
The poor are poor, they never listen,  
Should have paid attention in - ugh  
Should have paid attention in - ugh  
Should have paid attention in - school

Fuck the poor!  
Fuck the poor!  
Fuck the poor!
