[Intro: Lloyd]

[Verse 1: Lil Wayne]

She got that good good, she Michael Jackson bad
I'm attracted to her with her attractive ass
And now we murderers, because we kill time
I knock her lights out and she still shine
I hate to see her go, but I'd love to watch her leave
But I keep her runnin' back and forth like a soccer team
Cold as a winter day, hot as a summer's eve
Young Money thieves, steal your hearts with ease

[Verse 2: Gudda Gudda]

I like the way you walkin' if you walkin' my way
I'm that red bull, now let's fly away
Let's buy a place with all kinds of space
I'll let you be the judge and I'm the case
I'm Gudda Gudda, I putta other
I see me with her, no stevie Wonder
She don't even wonder, cause she know she bad
And I got her nigga, grocery bags

[Chorus: Lloyd]

Okay, ooohhh baby
I be stuck to you like glue baby
Wanna spend it all on you baby
My room is the g-spot
Call me Mr. Flinstone
I can make your bedrock
I can make your bedrock
I can make your bedrock girl
I can make your bedrock
I can make your bedrock

[Verse 3: Nicki Minaj]

Okay I get it let me think I guess it's my turn
Maybe it's time to put this pussy when your side burns
He say I'm bad, he probably right
He pressin' me like button downs on a friday night (Ha

I'm so pretty like, be on my pedal bike
Be on my low scrunch
Be on my ecko whites
He say nicki don't stop you the bestest
And I just be coming off the top asbestos

[Verse 4: Drake]

I love your sushi roll, hotter than wasabi
I race for your love, shake and bake, ricky bobby
I'm at the W but I can't meet you in the lobby
Girl I gotta watch my back cause I'm not just anybody
I see them standing in line, just to get beside her
I let her see the aston or let the rest surprise her
That's when we disappear, you need GPS to find her
Oh that was your girl, I thought I recognized her

[Chorus: Lloyd]

Okay, ooohhh baby
I be stuck to you like glue baby
Wanna spend it all on you baby
My room is the g-spot
Call me Mr. Flinstone
I can make your bedrock
I can make your bedrock
I can make your bedrock girl
I can make your bedrock
I can make your bedrock

[Verse 5: Tyga]

She like tannin', I like stayin' in
She like romancin', I like rollin' with friends
She said I'm caged in, I think her conscios is
She watchin' that oxygen, I'm watchin' ESPN
But when that show ends, she all in my skin lotion
No emotions, roller coasting like back, forth, hold it
(Hold it [x4])
She pause like it's for posters and I poke like I'm
supposed to
Take this photo if you for me, she said don't you ever
show this
I'm too loyal and too focused, to be losing and be
hopeless
When I spoke this, she rejoiced it
Said your words get me open, so I closed it

Where your clothes is, I'm only loving for the moment

[Verse 6: Jae Millz]

She ain't got a man but she's not alone
Miss independent yea she got her own
Hey gorgoues, umm, I mean flawless, well

Yea, look at how she walk, who knew she know she bad
Do your thang baby, I ain't even mad
And I ain't leaving fast, I'm a stay a while
Hold your head chris, I'm a take her down

[Chorus: Lloyd]

Okay, ooohhh baby
I be stuck to you like glue baby
Wanna spend it all on you baby
