He came back  
Twenty long years  
Red eyes and pain tears  
Come inside  
He walked in  
Behind me

He had  
Unknown features  
Staring at me  
And at the pictures  
Right here  
Behind me

Old times  
They're all gone now  
And you just know how  
How I feel  
About the years  
I left behind me

You fool  
You were my highlight  
My heart is bleeding  
This ain't a lie dear  
But time is dying  
Behind me

Daylight  
Raised up into here  
I had no sorrow  
I had no fear  
He was here  
Standing behind me

His left hand  
Holding a pale light  
He kissed me so tight  
I couldn't breathe  
The man I left  
Behind me

He's gone  
And I'm alone now  
It's all so clear  
I'm in peace  
A pool of red tears  
Behind me
