"Inside"

He left me with a "sorry"
Run off without a worry
Or sorrow

Don't cry, I'm in a hurry
Call at the other ladies
Tomorrow

How can he think I'm crying
I'm sentimentalising
I know I'm disobeying
I got a lot inside
A little lot inside
A lot inside
Inside Inside

The fairy tale is ending
It ain't so disappointing
Afterglow

The only thing lasting
The sentiment of being
So mellow

It's just another story
This one's so ordinary
I'm still alive and pretty
I've got some loving inside
A lot of loving inside
Some love inside
Inside Inside

It's just another story
This one's so ordinary
A woman and a baby
The one I'm holding inside
I've got a light inside
A little light inside
Here, inside
Inside
