I fell and watched it  
Get away from me  
And I know  
Every reason  
I was left behind  
The easy part  
Was knowing  
The hardest part  
Was saying  
It out loud  
I let you down

Ashes to ashes  
You broke down  
And I picked up the pieces  
You left here  
And now there's nothing left here  
To remind me of you  
It's all true

Far from the place  
I used to call my home  
I celebrate  
This is my holiday from you  
Where every thought's a moment  
And every moment flies away faith  
A mistake

Ashes to ashes  
You broke down  
And I picked up the pieces  
You left here  
And now there's nothing left here  
To remind me

Ashes to ashes  
You broke down  
And you left me to pick up the pieces  
And now there's nothing left here  
To remind me of you

It's all true  
Through with you  
And through with you
