Today  
I think I'm ready for you now  
I'm saying some other time  
Where we can be as one  
Too high for me to fall so easily

I'll try  
I think I'm ready for you now  
And the words were running around  
Inside it's flickering  
I want to rush all over you  
Like water

Tommorrow  
I think I want to follow you  
(oh yeah)  
I'll go  
I think I'm ready  
I'm ready for you now

Our time  
Will be forever and a day

You'll find  
That I'm ready for you now  
And the words are running around  
Inside its flickering  
I want to rush all over you  
Like water

So walk away  
And don't let go  
Walk away  
And dont let go

I want to run  
I want to hide  
All the things I've written inside  
Everything I want to do  
Everything I want from you  
All the things I'd like to do

All the things I'd like to see
