Why am I afraid?  
Maybe I should give this up  
Something so sacred  
Maybe I should keep untouched

I'm trying not to hate myself for what I love  
And I cannot deny what I've become

If I could stop awhile  
I'd learn how to love awhile  
Something so fragile

I'm trying not to hate myself for what I love  
And I cannot keep running from the things I have  
become  
I've become

You were my mistake  
I was curious  
I thought I'd find a way  
To love someone I couldn't trust

You were my mistake  
Forgive me but it's over now

I know it's time to throw this all away  
So I'm looking for the things I need to save

I'm trying not to hate myself for what I love  
I cannot keep running from the things I have become  
I've become

You were my mistake  
I was curious  
I thought I'd find a way  
To love someone I couldn't trust

You were my mistake  
Forgive me but it's over now

You were my mistake  
I was curious

I thought I'd find a way  
To love someone  
To love someone I couldn't trust

You were my mistake  
Forgive me but it's over now  
It's over now  
It's over now
