"So Easily"

Visit "[So Easily](#)" on MotoLyrics.com

You decorated my soul
You took everything that I ever wanted to know
And you made me compromise
And I made you feel alive

I don't understand, I let you be the man
And you told me that I was worthless or was it a lie
I was alive, inside of you I died
I cannot explain the beauty of my pain

How can I believe with everything I feel
You tell me that I'm worthless or is it a lie
All lies deliver me within or tell me where you've been
I will not go down so easily, easily, easily

Deliver me within and tell me where you've been
I will not go down so easily
Deliver me within and tell me where you've been
I will not go down so easily, oh
I will not go down so easily, easily, easily, easily, so
easily

You devastated my soul
You took everything that I ever wanted to know
You make me compromise
