Catch me I'm falling
I'm spinning out of control
Over you
Maybe I'm dreaming
I think you feel the same way
I do

Let me be the only one
That you think of when I'm gone
You know I won't leave
You're wrong

Come on and tell me
Tell me that you love me
Tell me that you need me
I won't let you down

My beautiful young lady
Won't you come run far away
With me
Maybe I'm crazy
But there's something inside of you
That I see

Let me be the only one
That you think of when you're gone
You know I won't leave
You're wrong

Come on and tell me
Tell me that you love me
Tell me that you need me
I won't let you down

And if you show me
Show me that you love me
And hope no one will find me
I'll love you from now on

If you tell me now
Anything you wanna do

Everything you ever need
I'll give it all to you
If you tell me now

Come on and tell me
Tell me that you love me
Tell me that you need me
I won't let you down

And if you show me
Show me that you love me
And hope no one will find me
I'll love you from now on

Come on and tell me
Tell me that you love me
Tell me that you need me
I won't let you down
No

And if you show me
Show me that you love me
And hope no one will find me
I'll love you from now on

If you tell me now
If you tell me now
If you tell me now
If you tell me now
Just tell me now
