Here I am
Lost without you
I can't feel myself
I can't even move
There so much I want to say
If I could get through to you

Where are you now?
Are you standing on the edge
If you fall, will I see you again?

Open your eyes
Don't say goodbye
Won't you stay with me
and give me one more try
Talk to me
Tell me what you need

Where are you now?
Are you standing on the edge
If you fall, will I see you again?
Where are you now?
If it's time to let you go
Tell me now
Cause I can't hold on anymore

Where are you now?
Are you standing on the edge
If you fall, will I see you again?
Where are you now?
If it's time for letting go
Tell me now
Cause I can't hold on anymore

Where are you?
Who took you away from me?
cause I can't hold on anymore
Where are you?
Who took you away from me?
I can't hold on anymore

Where are you now?
