AhhhhAhhhhAhAhAhhhhAhAhAhhhhAh
Wanting to choose
Fight the scene through unreknowned leaders too
And nothing is real
She found me someone who wants to stone cheaters
too
And I think it's cool
Finding out yr not one of the bleeding few
And just like in school
Yr following every unsane leader
Cool as long as you weed them out
Fool says nothing but breeze
For all the things for you
And all these things are new
So unbelievable now
In finding freeways through unreknowned leaders too
