I can't terrorize, I see terror in your eyes  
As we go up, we go down  
I can't socialize, I'll be institutionalized  
As we go up, we go down

And see the truth, yeah, is just a lie, oh  
And see the truth, yeah, is just a lie, oh

I speak in monotone, "Leave my fuckin' life alone"  
As we go up, we go down

As we go up, we go down  
(And see the truth, yeah)  
As we go up, we go down  
(Is just a lie)

As we go up, we go down  
(And see the truth, yeah)  
As we go up, we go down  
(Is just a lie)

As we go up, we go down  
(And see the truth, yeah)  
As we go up, we go down  
(Is just a lie)  
As we go up, we go down  
(And see the truth, yeah)
